Description	UTILISATION OF EXTENSION OF TIME FOR ISSUANCE OF QUARTERLY REPORTS ON CONSOLIDATED RESULTS FOR THE FOURTH QUARTER ENDED 31 MAY 2021

With the unwavering increase of COVID-19 cases in Malaysia, the Prime Minister's Office had on 28 May 2021, announced the implementation of the Full Movement Control Order ("FMCO") scheduled from 1 June 2021 to 14 June 2021 for the whole of Malaysia.

In this regards, Bursa Malaysia Securities Berhad ("Bursa Securities") takes cognisance that some listed issuers may have been significantly impacted by FMCO implemented in response of the COVID-19 pandemic. Bursa Securities had on 16 June 2021 issued a letter on granting of 1-month Extension of Time ("EOT") for issuance of Quarterly and Annual Reports due on 31 July 2021 and 31 August 2021 respectively to Company Secretaries of Listed Issuers.

In connection therewith, the Company will utilise the EOT granted by Bursa Securities in order to provide a longer time to finalise its Quarterly Reports on consolidated results for the fourth quarter ended 31 May 2021 during this challenging time due to COVID-19 pandemic. At the same time, the Company will ensure its Quarterly Reports on consolidated results for the fourth quarter ended 31 May 2021 will be issued not later than 31 August 2021 as per EOT granted by Bursa Securities.
